Order	Name	Number	Pass code	Duress Code	K=Keyholder A=Auth. to make Changes	
1		() - - - -			K <input type="checkbox"/>	A <input type="checkbox"/>
2		() - - - -			K <input type="checkbox"/>	A <input type="checkbox"/>
3		() - - - -			K <input type="checkbox"/>	A <input type="checkbox"/>
4		() - - - -			K <input type="checkbox"/>	A <input type="checkbox"/>
5		() - - - -			K <input type="checkbox"/>	A <input type="checkbox"/>
6		() - - - -			K <input type="checkbox"/>	A <input type="checkbox"/>

When communicating with the Central Station, They will challenge your identity by asking you your password. If you give them your passcode, then they will cancel the alarm dispatch. If you give them your duress code, they will automatically dispatch the Police.

Please note that it can take up to 2 business days for these changes to take effect. We may contact you to verify this information before submitting it to the Central Station.

Please email completed forms to alarm@vastautomation.com
